PROCESS INSTRUMENTS & CONTROLS

Manufacturing and Development of Filtration Solutions

Filter Bags And Cartridges, Filter Vessels

Control Instruments for Low Pressure Air & Gases
Mercoid Pressure Switches

PFA Lined Ball Valves/Butterfly Valves
Automated & Manual

PH, ORP, Conductivity, Dissolved Oxygen Sensors,
Transmitters, Controllers

A Subsidiary of BRAY INTERNATIONAL, Inc.

Full line of Carbon & Stainless Ball Valves,
Actuators, Positioners, Limit Switches

Actuators / Pneumatic & Electric, Industrial Ball Valves,
V-Port Control Valves

Remanufacturer of Rosemount & Foxboro Instruments,
Fisher Control Valves, 2 Year Warranty

Clamp On Ultrasonic Flowmeters, Doppler And Transit Time

Ph, Orp, Conductivity, Do, Turbidity, Suspended Solids Sensors

Instrument, Check, Relief & Regulating Valves

Tube Fittings: Brass, 316 S/S

Compressed Air, Gas Analysis, Vacuum Pump & Filter Regulators

Level controls for liquids and solids; dry flow & dust detection controls

measure the facts

Magnetic, Coriolis, Variable Area, Vortex, Ultrasonic Viscosity
Measurement Flow Meters, Radar & TDR Level Controls
Temperature Transmitters, Analytical Instrumentation PH, ORP,
Conductivity, Turbidity, Dissolved Oxygen Sensors

Butterfly Valves (Manual & Automated), Actuators
(Pneumatic & Electric), Positioners, Limit Switches

Industrial Process Gauges, Bimetal Thermometer & Wells

Actuator & Controls, Resilient Seated Butterfly Valves, High Performance Butterfly Valves, Manual Worm Gear Operator, Declutchable Gear Operator

Pressure & Temperature Regulators, Steam Separators & Traps

Mid-South Instrument Co.

In-Plant Calibration, Start-up and Repair
1-800-606-7099

Cellular Data Monitoring of Water & Waste Water

Custom Temperature Sensors, Thermocouples, RTDs, and Assemblies

Hand-Held Calibrators

High Quality Check Valves, "Y" Strainers, Basket Strainers, Duplex Strainers, Pump Protection Products & Fabricated Products

Digital Panel Meters, Gauges, Scanners & Annunciators

Gas & Flame Detectors, Sensors and Monitors

Ultrasonic Level & Open Channel Flow

Tru-Flo manufactured by QSM, Inc
Sanitary Ball, Check & Butterfly Valves

Industrial Temperature, Pressure & Test Gauges; Bimetal Thermometers, Sanitary Gauges, Thermowells, Chemical Seals, Thermocouples & Diaphragm Seals

Innovative Measuring and Control Technologies
Solutions for Flowing Media
